**Author bio:** Susun S. Weed is the voice of the Wise Woman Tradition, a founding grandmother of the herbal renaissance and the originator of the concept of complementary medicine. Ms. Weed maintains an active, worldwide teaching schedule including correspondence courses, on-line education through the Wise Woman University, apprenticeships, and teaching at various venues including Yale Nurse Midwifery School, American College of Nurse Midwives, Bastyr Naturopathic College, Rocky Mountain Center for Botanical Studies, American Botanical Council, Weg der Mitte (Berlin), and Waikato College of Herbal Studies in New Zealand. Her previous books are all still in print -- in six languages -- and are considered health-care "bibles." Full CV available at [www.susunweed.com/CV/](http://www.susunweed.com/CV/)

Forthcoming Release

**Description:** Simple, successful, strategies cover the entire range of options -- from mainstream to radical -- to help you choose the best, and the safest, ways to optimize sexual and reproductive health. What would your private parts say if they could speak? [Down There: Sexual and Reproductive Health the Wise Woman Way](#) gives the pelvic floor, bladder, prostate, cervix, clitoris, uterus, ovaries, penis, testicles, vagina, vulva, and clitoris a chance

to speak, describes them in health, and offers alternative, complementary, integrative, homeopathic, and allopathic remedies for their distresses, including incontinence, HPV, PCOS, UTIs, LUTS, BPH, STDs/STIs, vulvodynia, pelvic pain, and much more.

**Other titles by the same author:**
